

CIS100: Career Project Web Page Evaluation

Name: _____

Date: _____

On **Content including reflections**, your assessment will be based on the completeness of the work and the clarity of the writing. If you are missing components or it is not done thoroughly, then it can not be excellent.

On **Navigation and Usability** areas, your assessment will be based on the ease of use of using your webpage.

On **Presentation**, you will be given an overall rating of your presentation including how well you speak and present yourself, eye contact, knowledge of your site, and how concise you can make your presentation to stay within the time limits.

Area	Very Poor (x 2)	Poor (x 4)	Fair (x 6)	Good (x 8)	Excellent (x 10)
