About the Health Careers Program

The Health Careers Program of Spelman College initiated in 1971 to advance more and better-qualified young women into the professional and allied health professional schools of medicine, dentistry, osteopathy, optometry, podiatry, pharmacy, veterinary medicine and graduate health programs. Since 1970, the College has been successful in assisting well over 800 of its students in gaining admission to many prestigious professional and allied health professional institutions.

What We Were Up To This Summer...

2025 Spelman College Pre Health Summer Program

This summer, 15 girls from the class of 2029 participated in the 6 week-long Pre Health Summer Program. The cohort participated in experiences that expanded their network and exposed them to a range of post-undergraduate medical schools, including Morehouse School of Medicine, the Medical College of Georgia at Augusta University, and Emory School of Medicine. They were also able to explore the Atlanta Community with activities such as visiting Cascade, Georgia Aquarium, and volunteering at the Atlanta Community Food Bank!

Pre Health Summer Program

Morehouse School of Medicine!

4th of July!

Volunteering!

Reynolds Cottage!

Cascade Skating Rink!

Main Event!

Welcome Class of 2029!!

The Health Careers Program recently hosted its New Student Orientation Reception, welcoming over 250 pre-health students. During the event, students received valuable information about our Academic Resources, Tools, Professional Development, Recruitment Initiatives, and other opportunities designed to support their academic and professional journeys. The Health Careers Program looks forward to engaging with the new class of Spelmanites as they embark on this exciting path toward health professions.

OUR CORE VALUES

CONFIDENCE!

INTEGRITY!

RESILIENCY!

PROFESSIONALISM!

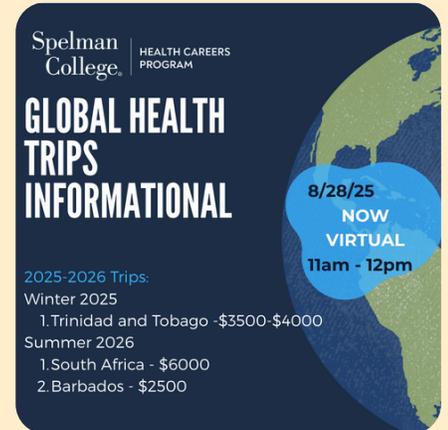

RECENT EVENTS

AUG

GLOBAL HEALTH TRIPS INFORMATIONAL

We were so glad to see many students joining us for our Global Health Trip Informational Session. Thank you for expressing an interest in our first trip this academic year, Trinidad and Tobago! If you missed it, but you are still interested in our global health trips, scan the QR code to view the recording.

Scan to watch recording

If you haven't received one already, Summer/Winter Travel Transmittal Forms for the 2025-2026 Global Health Trips will be located outside the Health Careers Office in Tapley 125.

UPCOMING EVENTS

LUNCH AND LEARN WITH MSM

Join the Health Careers Program for a Lunch and Learn with Dr. Rita Finley from Morehouse School of Medicine. The session will be held from 12:00–12:50 PM in SCI 232 and will offer insights into medical education and career pathways, along with an opportunity for students to engage in discussion and ask questions. Scan the QR code to register!

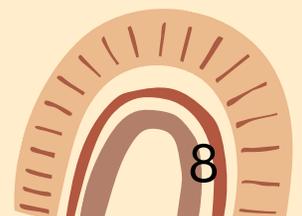

SEPT
11

TOWN HALL MEETING

The Health Careers Program will host a Town Hall in Sisters Chapel from 4:00–6:00 PM. Students will receive important program updates, learn about upcoming opportunities, and engage in an open forum for questions and feedback. Participation is encouraged and business professional attire is required. Scan the QR code to register!
