To kick off the new year and the semester, the Health Careers Program will host an informative Town Hall on Tuesday, January 28th. Topics to be discussed during the program include:

- Mock Interview Day
- Shadowing Opportunities
- Pipeline Programs
- Office Hours, Program Registration, Scheduling Appointments with the Pre-Health Advisors
- Health Careers Sponsored Registered Student Organizations (RSOs)
- Application Seminar Series - Graduate and Professional School

JANUARY EVENTS

- Vanderbilt Pipeline Program Informational
- Vanderbilt Nursing Informational
- Mock Exam Day
- Lunch & Learn: Pre-Mock Interview

Join us for an exciting semester!
MESSAGE FROM THE DIRECTOR

"HEALTH CAREERS 2020 VISION"
Dr. Rosalind Gregory-Bass

In a digital age, we are at a time in our Program where information is critical to how individuals access resources, enhance their health literacy and evaluate professional competencies. The use of digital information for pre-health education and the delivery of evidence-based healthcare is crucial to the development of students and especially underrepresented minorities. We, as advisors, seek to provide students accurate and updated information that will guide their Spelman journey to becoming 21st century healthcare providers and public health specialists. Strive to make the most of your 2020 experience by accessing our resources on the webpage via social media or by visiting the Health Careers Program in Tapley Hall, Suite 126. Be reminded of the tenacity and the perseverance of our many alumna "Sheroes" who have paved the road toward your success.
