New Student Orientation

Spelman College, a historically Black college and global leader in the education of women of African descent, is dedicated to academic excellence in the liberal arts and sciences and the intellectual, creative, ethical and leadership development of its students. Spelman empowers the whole person to engage the many cultures of the world and inspires a commitment to positive social change (Spelman College Mission Statement).

The mission of the New Student Orientation Program (NSO) complements the College’s mission as it introduces new students to the academic, social, and cultural community of Spelman College.

The NSO Program seeks to

• facilitate the smooth transition of new students, including transfer, international, domestic exchange, and Pauline E. Drake scholars to the Spelman community;

• introduce all students to Spelman’s educational mission, history and unique opportunities;

• provide academic advisement and course registration;

• aid students in understanding their responsibilities as members of the Spelman College academic and social communities;

• provide all new students with opportunities for social and recreational activities that develop sisterhood and supportive networks and that foster a sense of school pride.
You are expected to attend all programs and activities; they will help you successfully navigate the Spelman College experience. All changes to the New Student Orientation schedule will be posted on the mySpelman portal under the tab New Student Orientation and in the NSO Guidebook.
