Saturday, April 9 10:00 a.m. - 11:30 a.m. Spelman Day of Service For the eleventh year, Spelman College will celebrate 141 years of delivering the promise of academic excellence by empowering and elevating our brilliant young scholars to become global change agents. In the past few years, we have seen many changes worldwide. Yet, Spelman’s resolve to ensure that young women of the African diaspora accomplish their dreams of graduating and impacting the world remains unchanged. This is an event that you do not want to miss. Your active engagement as a collective responsibility will continue to ensure Spelman will continue improving to future generations to come.

As we celebrate this Founders Day, let us passionately embrace the theme – Stronger Together: Upholding Our Legacy. By uplifting the institution, which has been the catalyst for all the remarkable accomplishments of our alumnae and students. The tremendous success that Spelman has achieved is directly related to the strength of the Spelman Strong fund and our strategic plan. Your gifts promote education, music, and women’s leadership. Every student has the opportunity to graduate, and form the foundation for transformative change and enhanced operations. In commemoration of our founding in 1881, our goal is to have 1,881 donors light the flame for our students. Please make your gift to Spelman and then reach back out to others to light their fire.

Please help us keep Spelman Strong by making your gift in celebration of Founders Day! By 11:59 PM EDT Monday, April 11, 2022, let’s strengthen the legacy created by the women who came before us. Your support will give Spelman the foundation and fortitude to weather any storm.
