## ***SPELMAN HYMN***

*Eddye Money Shivery, C'34*

*Spelman, thy name we praise  
Standards and honor raise  
We'll ever faithful be  
Throughout eternity  
May peace with thee abide  
And God forever guide  
Thy heights supreme and true,  
Blessings to you.*

*Through years of toil and pain  
May thy dear walls remain  
Beacons of heavenly light,  
Undaunted by the fight;  
And when life's race is won,  
Thy noble work is done  
Oh, God forever bind  
Our hearts to thine.*

## Honors Convocation Speaker

Jane E. Smith is an accomplished educator, nonprofit executive and speaker. She is currently the vice president for College Relations at Spelman College. Prior to assuming this role, she served as the executive director of the Spelman College Center for Leadership and Civic Engagement (LEADS). The mission of LEADS is to develop and teach a leadership model based on the global experiences of African-American women leaders and others. This model requires intellectual and community engagements that improve the quality of life for women, men and children from diverse backgrounds. LEADS is an acronym for leadership development, economic empowerment, advocacy through the arts, dialogue across difference and service learning. Program thrusts fall under three categories: leadership development, civic engagement and research. Research initiatives are designed to understand and improve leadership and civic engagement program thrusts.

As executive director of LEADS, Dr. Smith has had several achievements; she raised over \$2.5 million to support an annual leadership conference and certificate-based programs and she served as convener of the annual conference. The certificate-based programs – including the Entrepreneurship and Financial Literacy Programs, Intergenerational Mentoring Program and Women of Excellence Leadership Series – were created by Dr. Smith to complement the College’s liberal arts curriculum. Additionally, she established the Girls Leadership Institute for middle school girls interested in STEM. Dr. Smith designed the Project Impact evaluation to measure service within the surrounding community, and she supervises the development of the Policy Options Bureau, positioning Spelman as a local information hub for civic engagement. She also manages special initiatives for friends of the College.

Prior to joining LEADS, Dr. Smith served as president and chief executive of the National Council of Negro Women and chief executive of Business and Professional Women/USA. She also held leadership positions at The Martin Luther King Jr. Center for Nonviolent Social Change and The Carter Center. At The Carter Center, she was managing director of The Atlanta Project, a four-city community development initiative.

Dr. Smith’s career includes membership on numerous boards, including the University of the District of Columbia, the US Women’s Chamber of Commerce and the US Chamber of Commerce Committee of 100. Dr. Smith was appointed by former President William Jefferson Clinton to the National Women’s Business Council and by former Secretary of State Madeleine Albright to the United Nations Beijing Plus Five Conference delegation. She is a member of the International Women’s Forum and Delta Sigma Theta Sorority, Inc. Dr. Smith is a fellow of the American Council on Education and a 1980 graduate of Leadership Atlanta.

Dr. Smith holds a doctorate of education in social policy analysis from Harvard University, a master’s degree in sociology from Emory University, a bachelor’s degree in sociology from Spelman College, and two honorary doctorates. Dr. Smith has received awards of distinction and recognition for exemplary service, including the Emory University Alumni Medal, the American Association of University Women’s Woman of Distinction Award and the National Council of Negro Women’s President’s Award.

Dr. Smith, a recognized thought leader and proud member of the baby boomer generation, has two sons and four grandchildren.
