

Guidelines for Cross-Registration:

- Students may only take a maximum six credit hours through cross-registration per semester.
- Students must have a current and active registration at Spelman.
- Students may not cross-register for a course offered at Spelman.
- Cross-registration forms are available from your major Department Chair. Forms can only be submitted by the Department Chair; forms from students will not be accepted.
- Do not contact an instructor to get into a class. This supplement negates the need for instructor permission.
- Buildings and rooms can be found by doing an internet search for “Dynamic Schedule” plus the name of the school.
