ADVISING PROCEDURES:

- Always consult with your advisor before registering for courses.

- All prerequisites - as identified in the Spelman College Bulletin - must be strictly followed.

- Never save major electives until the end - advanced core courses are premised on your having already completed several electives.

- Choose general electives that help prepare you for thesis research.

- Three (3) core courses can NOT be taken in one semester.

- All major core courses should be taken at Spelman unless approved by the Chair.

- Do not enroll in Sociology Internship and Senior Thesis during the same semester, unless you have approval from your advisor and/or the Chair.

- In order to enroll in Senior Thesis, students must have completed and passed all major core courses besides Contemporary Social Theory or Anthropological Theory.

- One semester of BQC is required by all Spelman students.

- “Unique” circumstances require advising by the department chair. ALL SENIOR, TRANSFER & PAULINE E. DRAKE SCHOLARS MUST be advised by department chair.
