Summer Programs 2024

Quick Facts

❖ College Prep Institute applicants are current high school students completing the 9th or 10th grades
❖ Early College Program applicants are current high school students completing the 11th grade
❖ Students can apply from January 12th – March 15th, 2024
❖ Application requirements (academic reference, essay, transcript, resume) are all listed in the application directions
❖ Applicants to all programs should have a minimum weighted 3.5 GPA and demonstrate leadership skills and an interest in attending in their essays
❖ Use student e-mail information to start application and place parent information only in the designated places on the application
❖ Accepted students are required to attend all days of the program
❖ Accepted students are required to be fully vaccinated with booster against Covid-19
❖ Accepted students reside on campus in the BDT Suites, 3 meals are provided daily, laundry is on site, and can bring groceries to stock kitchenette on move in day
❖ Each program will be accepting between 40 and 45 students (CPI Session 1, CPI Session 2, ECP)
❖ Decisions will be sent to students on April 5th
❖ Spelman does not offer scholarships or financial assistance for summer programs tuition
❖ There are no payment plans but multiple payments can be made between time of acceptance and full payment deadline (30–45-day window)
❖ Staff and facilitators of the program are Spelman faculty, current students, accomplished alumnae, and black women experts of their fields.
