

POLICY ON MINORS PARTICIPATING IN CAMPUS PROGRAMS

I. Policy Statement

Spelman College (“College”) is committed to providing a safe and healthy environment for all who participate in Spelman programs and activities. This Policy provides the minimum standard for appropriate supervision of individuals under the age of 18 (“Minors”) who are involved in Spelman College-sponsored programs, programs held on the Spelman College campus and/or programs housed in College facilities at all geographic locations. In order to promote the safety and general welfare of all Minors participating in programs at Spelman College, it is the policy of the College that 1) all Minors participating in programs must be reasonably and appropriately supervised by an Authorized Adult who complies with the standards of conduct provided in this Policy; 2) all College employees (permanent and temporary) and volunteers have a duty to report suspected neglect or abuse of a child; 3) Staff and volunteers working with Minors are trained and successfully pass a background check; and 4) units sponsoring programs with Minor participants fulfill the duties outlined in this Policy.

A. Reason for Policy/Purpose

Spelman College is committed to fostering an environment in which all staff, students, and visitors to the campus are safe and secure. Activities integral to our mission of teaching, research, and service for the betterment of society may, at times, involve Minors. The College recognizes that numerous circumstances exist in which non-enrolled Minors either visit campus facilities or otherwise have contact with College representatives, including faculty, staff, volunteers, and students. The College offers many coordinated opportunities for Minors to visit the campus through scheduled campus events or academic and non-academic programs. With this understanding, the College recognizes both its institutional and legal obligations to ensure the safety and wellbeing of Minors that are participating in programs on campus, in College facilities, participating in College-sponsored events, or involved with College-affiliated individuals.

B. Scope of Policy

Unless there is an exception under Georgia law, this Policy applies to all Spelman College faculty, staff, volunteers, students and Third Parties who interact with Minors on campus.

II. Definitions

Authorized Adult: Individuals, whether paid, volunteer, or for academic credit, who have care, custody, control, and/or direct contact or interaction with Minors involved in College-sponsored Programs or Activities. This includes, but is not limited to, College administrators, faculty, staff, students, volunteers and Third Parties operating a Program or Activity.

Mandatory Reporter: Any person required by Georgia law (O.C.G.A. § 19-7-5) to report suspected child abuse to the appropriate authorities. Mandatory Reporters include, but are not

limited to faculty or teachers, administrators, counselors, social workers, psychologists, law enforcement personnel, and other persons who participate in providing care, treatment, education, training, supervision, coaching, counseling, recreational programs, or shelter to Minors.

Minor: Any person under 18 years of age.

Program or Activity: Any academic, educational, service, leadership, or recreational program serving one or more Minors including, but not limited to, camps, clinics, conferences, workshops, tutoring, mentoring, group lessons, seminars, competitions, internships or experiential learning, conducting or viewing research, pre-enrollment visits, after-school programs, or other enrichment opportunities.

Program Director: Any individual who has primary and direct operational responsibility for the content and implementation of a Program or Activity and who serves as the primary point of contact.

Program Staff: See Authorized Adult.

Sponsoring Unit: Any department or unit of the College that offers a Program or Activity.

Third Party: An individual, organization, or entity not affiliated with the College to which the College permits the use of its facilities to operate a Program or Activity.

III. Applicability

This Policy applies broadly to any academic, admissions, athletic, educational, service, leadership, or recreational program serving one or more Minors, including, but not limited to, camps, clinics, conferences, workshops, tutoring, mentoring, group lessons, seminars, competitions, internships or experiential learning, conducting or viewing research, after-school programs, or other enrichment opportunities.

This Policy does not apply to:

- Minor family members of employees and students, who are on campus as guests of that individual
- Programs or Activities for Minors enrolled in undergraduate courses;
- Events or performances at the College that are open to the general public or guests (i.e., athletic competitions, plays, concerts) wherein parents/guardians are expected to provide appropriate supervision of Minors;
- Campus tours or visits by Minors considered to be prospective students;
- Non-residential field trips to the campus supervised by a Minor's school or organization;
- Off-campus clinical, practicum or student teaching experiences supervised by a Third Party entity;
- Private, personal events (e.g., birthday parties, weddings) that occur on campus; or
- Other programs as may be designated from time to time by the appropriate College official in advance and in writing as exempted from this Policy.

IV. Adult Supervision

All activities involving Minors should typically be supervised by at least two Authorized Adults or by the parent or legal guardian of the participants.

Factors to be considered in determining requirements for supervision are 1) the number, age, and gender of participants; 2) the activities involved; 3) type of housing, if applicable; and 4) age, gender, and experience of the Authorized Adults.

In addition to the expectation that two Authorized Adults be present at all times when Minors are being supervised, an additional Authorized Adult should be available as a “floater” to stand in if one of the two must leave the area. The two Authorized Adults should not be family members.

Authorized Adults must make all reasonable efforts to ensure the safety of Minors participating in Programs or Activities covered by this Policy, including removal of Minors from dangerous or potentially dangerous situations, irrespective of any other limitation or requirement.

A. Group Interaction

It is acceptable for an individual Program Staff member to provide program services to a group of participants (e.g., classroom instruction or outdoor activities) if the activity is conducted in an open or public area where the group is visible to others outside the group at all times. This includes classroom or meeting activities where open doors or windows allow for a clear line of sight.

B. Individual (One-on-One) Interaction

Likewise, it is acceptable for an individual Program Staff member to interact with an individual Minor as long as the interaction occurs in an open or public area (common area), or in non-public settings that are visible from common areas during normal business hours or such other times one would reasonably anticipate others would be present. This includes meetings in private offices during normal business hours where open doors or windows allow for a clear line of sight from the common area.

C. Electronic Interaction

In the case of electronic communications, Authorized Adults/Program Staff must not have any direct electronic communications with Minors without another Authorized Adult, parent, or legal guardian being included in the communication.

V. Duty to Report

A. Injury

To maintain a safe environment, Authorized Adults and/or Sponsoring Units shall inform the College of any injuries that occur at a College facility or to faculty and staff in the course of their work responsibilities at the earliest possible time.

B. Suspected Child Abuse or Neglect

Authorized Adults or other Mandatory Reporter who have reasonable cause to believe that child abuse or neglect has occurred, shall immediately report (within 24 hours) that suspected abuse or neglect to Spelman College Public Safety and the appropriate supervisor or administrator, who shall take immediate action.

If an Authorized Adult or other Mandatory Reporter suspects abuse, they must report the situation within 24 hours to ALL of the following:

1. Spelman College Public Safety at (404) 525-6401;
2. The Program or Activity Administrator;
3. The Title IX Director or designee (404) 270-5060); and
4. The Georgia Division of Family and Children Services at 1-855-GACHILD.

Where an allegation of inappropriate conduct has been made against an Authorized Adult participating in a program, s/he shall discontinue any further participation in Programs and Activities covered by this Policy until such allegation has been satisfactorily resolved.

C. Other Violations of Policy

If any person witnesses a violation of this Policy, such as one-on-one contact, or anything that gives rise to concern for the health or safety of a Minor, that person shall immediately notify the College's Title IX & Compliance Director or designee (404) 270-5060) or via email at titleixteam@spelman.edu

D. Non-Retaliation

The State of Georgia grants immunity for any civil or criminal liability for making a good-faith report of suspected abuse or neglect of a Minor.

It is the College's policy that no member of the faculty or staff or student making a good-faith report of suspected abuse or neglect will be retaliated against in the terms and conditions of employment or educational program.

E. Compliance

Failure of Mandatory Reporters to report suspected child abuse is a violation of state law and a criminal offense. O.C.G.A. § 19-7-5.

Any Spelman College faculty, staff, or student who fails to report a case of suspected child abuse or neglect is subject to disciplinary action, which could include termination (if a faculty or staff

member) or expulsion (if a student). If a Third Party or volunteer fails to report a case of suspected child abuse, s/he risks termination of the contract or relationship with the College.

VI. Code of Conduct for Authorized Adults

Authorized Adults should behave professionally and maintain the highest standards of personal behavior at all times. Authorized Adults participating in Programs and Activities covered by this Policy shall **NOT**:

- a. Have one-on-one contact with Minors, except as described above: there must be two or more Authorized Adults present during activities where Minors are present. One-on-one contact includes electronic communication. Therefore, Authorized Adults/Program Staff shall not have any direct electronic communications with Minors without another Authorized Adult, parent, or legal guardian being included in the communication.
- b. Enter a Minor's room, sleeping quarters, bathroom facility, changing area, shower area or similar area without another Authorized Adult in attendance, except under emergency circumstances.

- k. Make sexual material in any form, including printed and electronic, available to Minors participating in Programs or Activities covered by this Policy or assist them in any way in gaining access to such materials.
- l. Give personal gifts to, or do special favors for, a Minor or do things that may be seen as favoring one Minor over others. Likewise, expensive gifts should not be accepted from any Minor in the program.

VII. Duties of Sponsoring Units

Each Sponsoring Unit shall:

The Sponsoring Unit and/or Program Director may enhance or modify the required training program to meet specific needs of the particular Program or Activity involved, but any such enhanced or modified program must include all the elements described in this section. In addition, the Sponsoring Unit and/or Program Director shall arrange for sufficiently frequent training sessions to permit covered Programs or Activities to continue to function on a regularly scheduled basis.

Additionally, all Authorized Adults/Program Staff must successfully complete the Minors on Campus Policy and Procedure training course annually. The Training should be scheduled with the Title IX & Compliance Office and should be completed prior to the start date of the Program or Activity involving Minors.

The Program Director is responsible for maintaining appropriate documentation that certifies the program's Authorized Adults/Program Staff have been properly trained each year (e.g., attendance records at program training, signed Acknowledgment of Understanding). These records are subject to College audit.

Non-College entities using College facilities for programs/camps involving Minors are required to certify that they have provided training comparable to that required under this Policy to their Program Staff.

IX. Program Rules of Conduct

Each program should have a clear set of rules of conduct for participants that should be provided to participants and parents/legal guardians prior to participating in the program. Each set of rules must include the following common elements:

as participants and their parents/legal guardians, must be advised of this procedure in writing prior to the participation of the Minors in the program.

The Sponsoring Unit shall maintain a list of all program participants and a directory of Program Staff. This list shall include participant's name; local room assignment (if applicable); gender, age, address, and phone number(s) of a parent or legal guardian, as well as emergency contact information. For residential programs at College facilities, a copy of this list of program participants and a directory of Program Staff must be made available to Spelman College's Public Safety.

The Sponsoring Unit shall provide information to the parents/legal guardians detailing the manner in which the participant can be contacted during the program.

Background checks are not required for volunteers, temporary guest speakers, presenters and other individuals who have no direct contact with program participants other than short-term activities supervised by Authorized Adults/Program Staff.

All Authorized Adults/Program Staff are required to have a background check every three years.

The College will conduct a background check that will include at a minimum a National Crime Information Center (NCIC) criminal history check, a national sex offender registry check, and a driver's license check. The results of the background check must be reviewed and approved by Spelman College's Department of Human Resources prior to Authorized Adults/Program Staff being hired and/or working with a Minor.

It is the responsibility of the Program Director to assure that each Program Staff member has received clearance from Spelman College's Department of Human Resources prior to working in the program.

The College may accept documented background clearances from governmental agencies (e.g., school districts) that have been completed within three (3) years from the start date of the Program or Activity.

Authorized Adults are under a duty to disclose to the Program Director any arrest that occurs after a background check is performed within 72 hours of its occurrence or immediately if such occurs while working as Program Staff.

Results of background checks conducted under this Policy will be used only for the purposes of this Policy, except that the College reserves the right to take appropriate action with respect to employees who may have falsified or failed to disclose information material to their employment on employment applications uncovered as a result of the background check, including and up to immediate termination of employment. Copies of all correspondence with Program Staff members regarding background check reports will be retained in Spelman College's Department of Human Resources.

All contracts for the services of independent contractors that will be working with Minors must include a provision assuring that the employees of such independent contractors or the contractor (in the case of a solo contractor) will comply with the above-established process or provide evidence that background checks and training comparable to those required by the College under this Policy have taken place.

XIII. Programs Directed by Non-College Entities
